During my visit to Krishnaraj Nagar yesterday, the Municipal Councillors made the following representations --

1 A Settling tank may be constructed for purifying the water supplied to the town At present, the water is drawn direct from the channel and supplied to the town by means of pipes There is no arrangement for allowing the impurities to settle down The Municipal Councillors urge that a Settling Tank is an urgent necessity

2 A Bus Stand is one of the urgent needs of the town and may be taken up by Government at an early date

Subject referred to 16/7/46

3 Portions of the road between Bilikere and Hassan and Hunsur and Krishnarajnagar Railway Station runing through the town may be tarred to prevent the dust nuisance

Subject referred to 16/7/46

4 A special grant of Rs 25,000/- may be given for improving the present Water-supply to the town

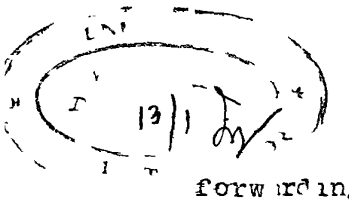
Received

13/1/47

Sir,



Subject Proposals for improvement of water supply to Krishnarajnagar Town

With reference to your letter No L 8112 dated 17-7-46 forwarding extracts from the representation submitted by the Municipal Councillors of Krishnarajnagar Town to the Minister for Agriculture during his visit to the town on 8-7-46 on the above subject, I have the honour to forward herewith, an estimate for Rs 11,362 for installing duplicate pumping set for improving water supply to the Town received with the President's letter No C 66/46-7 dated 5-12-46 and to state as follows

2 At present, there is only one pumping set working in the Krishnarajnagar It is said that this has not been distributed even since it was installed for want of spares, and it is proposed to overhaul it, after the duplicate set is installed The new set is expected to give a discharge of 6000 gallons per hour against a head of 360 feet The Sanitary Engineer explains that his estimate provides supply for a prospective population of 10,000 taking the present population of the town at 6,000

3 The Council after careful consideration of question have resolved at their meeting held on 31-10-46 (copy enclosed) to accept the estimate and the president has countersigned it

4 It is proposed to meet the cost of the work out of the C B for the current year, which is stated to be on the late of report, Rs 29 663

5 I request in the circumstances that Government may be moved to sanction the proposal at a very early date as the Resident want this to be carried out urgently
